

Bedale High School Virtual Learning Environment User Policy

In using the Bedale High School Virtual Learning Environment you are agreeing to follow the schools acceptable use policy for ICT equipment and resources.

The virtual learning environment provides you with 24-7 access to;

- Materials from your courses
- Links to useful websites
- Help with revision and preparing for tests
- Access to the school calendar
- Interactive activities
- Chances to work with other students
- A way to ask for help with your homework (or to find out what it is)
- A place to show off your work and to view examples of other peoples work

As part of this you agree to use school resources for educational purposes only. Any other use of the resources will result in sanctions including but not limited to;

- User banned from Bedale High School VLE
- User Banned from Bedale High School E-Mail
- User Banned from Bedale High School computer systems
- Other sanctions including detentions as outlined in the school behaviour policy.

Every action you make within the VLE is **Logged and can be displayed or printed out** as evidence of the activities that you have undertaken using school resources, this evidence will be used to support any sanctions imposed.

You are reminded that you are always subjected to the Data Protection Act 1998, Computer Misuse Act 1990 and Copyright, Designs and Patents Act 1988

The School reserves the right to seek remuneration from parents of pupils who cause malicious damage to ICT provisions.
